Conditions of Issuing

1. Rits has issued this certificate to indicate that the aforementioned company's cardholder environment has been successfully validated against the PCI DSS standard version and date noted herein and has been accepted by the relevant acquirer and/or payment card scheme(s).
2. This certificate is valid for one year from the date of issue.
3. This certificate shall not warrant or guarantee to any third party that the aforementioned company's cardholder environment is invulnerable to attack or compromise. Accordingly, Rits shall not, in any event, be made liable to any third party in the event of loss or damage caused by any or breach of the aforementioned company's systems or payment applications.
4. This certificate is issued by Rits as a commercial representation, and is not officially sanctioned by either the PCI SSC or any card scheme making up said body. All queries regarding this certificate should be directed to Rits at info@ritsgroup.com.
